07447570572

I've spent 3+ years designing and shipping digital products in a small, fast-paced fintech team. I'm comfortable working end-to-end from rough sketches to production-ready designs, and collaborating closely with developers and founders.

## RELEVANT EXPERIENCE

2024 Oct - 2025 Sep • 1 year

**Web and brand designer** - freelance  
UX/UI, Branding

Designed brand identities and websites for startups in food and beauty industries.

Developed scalable brand guidelines and design assets, ensuring consistent multi-platform presence.

2021 Jul - 2024 Oct • 3 years 4 months

**Product Designer** at Elfin Market  
UX/UI, Product Design, Design System

I was a sole designer responsible for end-to-end mobile (iOS/Android) and web product design for a fintech (B2C) startup.

Designed, tested, and shipped multiple user journeys in a highly regulated financial environment.

Built and maintained a design system to ensure fast, consistent delivery across platforms.

Collaborated daily with a small team of developers and founders.

2019 Sep - 2021 Jul • 1 years 11 months

**Graphic Designer** at Hali Publications  
Editorial, Books, Web Design

Working closely with Senior Designer, we designed and produced two in house quarterly magazines and various books released by Hali Publications.

2016 Sep - 2018 Oct • 2 years 2 months

**Architectural Assistant** at ALU  
3D modelling, Visualisation, Presentation

Produced architectural drawings, 3D models, visualisations and presentations for small residential projects.

## EDUCATION

2013 - 2016

**University of Manchester**  
BA(Hons), Architecture, First-class honours

## SKILLS

Design Tools

Figma, Adobe Creative Suite (Illustrator, After Effects, InDesign)
